EP CIRCULAR 34: E.P. TOURNAMENTS 2021

Thank you to all the clubs that provided feedback with regards to E.P. tournaments being played in 2021.

A consensus has been reached from clubs to cancel all E.P. related tournaments for 2021.

We encourage clubs to continue playing tabs and club competitions.

We also implore you to ensure COVID protocols are in place at all times.

Your health and safety are of utmost importance to us, stay safe and look after yourselves and your loved ones.
